IF YOU ARE INJURED WHILE ON DUTY:

1. Obtain medical treatment as soon as possible. You have the right to see the medical provider of your choice. You **do not** have to use railroad provided treatment centers. If threatened with insubordination, comply with managers request and then seek treatment with your own medical provider or hospital.
2. **Do not** allow railroad management into the examination room, or to discuss treatment of your injury with your medical provider or your family.
3. **Do not** fill out the accident report **until** you are mentally and physically able.
4. **Do not** give a taped or written statement to the railroad.
5. **Immediately** contact our Office or your Union Representative to help you fill out the accident report if you are unsure of how to answer any question.
